Outskirts Press, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. The process of human interaction and blending of relationships can be and is often a tedious undertaking. One + One = One? is a candid observation of the facets of marriage. It will open the vault of personal inspection and reveal the responsibilities of individual participation in the relationship. Each individual assumes responsibility for what is introduced into the relationship. When there is less there will be stress and if there is more there will be stress, either way the relationship will display an imbalance. The headings are deliberately aimed at getting one into proper alignment with self and the relationship. Think about your journey and realize that the marriage path is as a one way street with many rest areas, but no detours.
